I realize that I can be expelled from the house that I become a member of, if for some reason I return to using drugs and alcohol and/or if my behavior is such that it compromises the moral integrity of the house. I also realize that at such time that I am expelled; I will have 30 minutes to remove my personal belongings from the house or make arrangements to come back for them. I also realize that if I am hospitalized and/or expelled, my emergency contact will be notified.
